

Quilts & Their Stories

Rum River Library, Anoka
Saturday, March 10, 2012

Cost: FREE

Quilts can warm much more than your toes! They can warm your heart, too. They tell stories, paint pictures, and bring back memories. This program presents slides of quilts from the Anoka County Historical Society collection, along with their stories. There are some hands-on components, too. Preservation tips and the history behind some of our beloved quilt patterns will be shared as well.

This program is funded with money from Minnesota's Arts and Cultural Heritage Fund.
